ATER'S Sarsaparilla

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Discases.

Plimples, Pustules, Blotches, Bolls, Blains, and all Skin Diseases.

Oakland, Ind., 6th June, 1859.

J. C. Aver & Co., Gents: I feel it my duty to acknowledge what your Sarsa, arills has done for me. Having inherited a Serofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and losstssome is two description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternitye (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it if it cured me. I took it, as you advise, in small doses of a teaspoorful over a menth, and used almost three bottles. New and healthy skin is now began to form my gratem. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostics of the age, and temain ever gratefully.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salem, E. Y., 12th Sept., 1859, that he has cured an invoterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sursaparilla, and also a dangerous Malignant Erysipelus by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sign of Prospect, Texas, writes: "Three bot-tics of your Sursaparilla cured me from a Gatre—a hid-cons swelling on the neck, which I had suffered from over two years."

eous swelling on the neck, which I had salered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceratioh, Female Diseases.
Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent elterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrothlous diathesis. I have cured many invoterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the sterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dangerous cearion famor on one of the females in my family, which had defined all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

no symptom of the disease remains."

New Origans, 25th August, 1859.

Dr. J. C. Ater: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Feneral and Mernariel Disease. One of my patients had Syphilitic ulcors in his threat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaton away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcera healed, and he is well again, not of course without some distinguistion to his face. A woman who land been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sonsitive to the weather that on a damp day she suffered extruciating pain in her joints and bones. She too, was cured entirely by your Sarsaparilla in a face seeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. Syphilis and Mercurial Disease.

Rheumatism, Gout, Liver Complaint.

Independence, Preston Co., Va., 6th July, 1859.

Da. J. C. Atea: Sit, I have been afflicted with a painful chronic Rheumotins for a long time, which baffled the
skill of physicians, and stuck to me in spite of all the
remedies I could find, untill I tried your Sanaparilla. One
bottle cured me in two weeks, and restored my general
health so much that I am far better than before I was
stacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been
afflicted for years with an affection of the Liver, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a broken-down man
for some years from no other cause than devengement of
the Liver. My beloved pastor, the Rev. Mr. Espy, advised,
me to try your Sanaparilla, because he said he knew you,
and any thing you made was worth trying. By the Jessing of God it has cured me, and has so purified my blood
as to make a new man of me. I feel young again. The
best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Rheumatism, Gout, Liver Complaint.

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilep-sy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been raquired by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, Coughs, Colds, Influenza, Hoarseness Croup, Bronchitts, Inciplent Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
